

AmbiNitrile™

15

MIL 575 SERIES - POLYMER LINED

Safety Polymer Lined

Unique Raised Diamond Pattern for Improved Grip

REPLACE BY THE PIECE, NOT BY THE PAIR

PRODUCT FEATURES:

- Made from 100% Acrylonitrile Butadiene Rubber Premium Compound
Patented Ambidextrous Glove is formulated to reduce worker stress and hand fatigue
- AmbiNitrile Gloves can be worn over cotton or cut protective gloves
- 15 Mil palm thickness and 12" length
- Double Dipped Green exterior with safety liner provides a visual wear indicator
- Raised Diamond Pattern design on the palm and fingers offers more contact surface than conventional hand specific styles, and improved grip of wet and slippery objects.
- Enhanced finger & thumb design for added comfort
- Beaded cuff for ease of donning and better tear resistance vs. other straight cuffed gloves
- Online Chlorination for easy donning and doffing
- Available in Green color
- Available in numerical sizes: 7, 8, 9, 10, 11 and 12

PRODUCT FACTS:

The Ambi Advantage.

AmbiNitrile gloves are ambidextrous and can be replaced by the piece. No need to replace the pair like traditional hand specific gloves.
